

CLAIBORNE PROVES GOOD THING OF DAY

Backed From Tens to Sixes, He Wins in Gallop From Virginia Maid.

Tampa, Fla., February 10.—Four favorites won today, with two well-played second choices taking the other two events. Claiborne, in the eighth race, was the good thing of the day. He was backed from tens to sixes at post time, and won in a gallop from Virginia Maid. The odds on Claiborne, the odds on favorite, finished in the rack. Jockey Claiborne was seriously injured in the first race, when his mount in the two-year-old race fell with him before the barrier went up and rolled on him. Two ribs were fractured and he was internally injured. Summaries:

First race—two-year-olds, about three furlongs—Toda Cottage, 112 (Koerner), 6 to 5, first; Katherine Gardner, 120 (Lang), 8 to 1, second; Carter, 99 (Cole), 19 to 1, third. Time, 1:02.5.

Second race—four-year-olds and up, five and a half furlongs, selling—Alenion, 119 (Stein), 6 to 5, first; Sir Walter Rollins, 110 (Koerner), 2 to 1, second; Tallow Dip, 106 (McFadden), 2 to 1, third. Time, 1:11.

Starter Springs Surprise.
Jacksonville, Fla., February 10.—Kid McCoy's brother, L. H. Selby, furnished a surprise here today, and incidentally relieved the Moncrief layers of \$10,000, when his eight-year-old, Starter, in-can and her field in the opening event at 15 to 1. With the exception of the fourth event, which brought together Red and Royal Onyx, the sport today was of a dull and void class. A heavy track prevailed and upsets were frequent. Three choices were successful, two of which were quoted at odds on.

First race—three and a half furlongs, selling—Starter, 104 (S. Davis), 15 to 1, first; Lydia Lee, 110 (Trozier), 15 to 1, second; Naughty Lad, 105 (Lang), 2 to 1, third. Time, 1:02.5.

The Crafts' Price Policy

You see, it's like this: For several years the Crafts store policy has been pretty well known, not only in this city, but throughout the whole South. The rise of that policy was inspired by selling Pianos lower than other houses. The founder of the business thought it a sound principle to build on. We have never varied a hair's breadth from the original idea that had for its motive—Lower Prices.

Our fidelity to that one thought means much to you—the public. If you ask for specific, definite reasons, we'd tell you that the price-system controlling our selling renders it impossible for us to impose exorbitant profits. When rare and beautiful Pianos come to us, we don't add extra dollars to the prices simply because they are rare and beautiful. Others do. We could, but we don't.

When you touch the pith and nerve of the matter, you will find that our power is derived not only from our ability, but our willingness to sell a great many Pianos at a small percentage of profit rather than a few Pianos at a big one.

Which of these schools of merchandising appeals to you strongest?

JOHNNY KLING TO BE TRIED FEBRUARY 23

Commission May Fine Him \$1,000 for His Lay-Off.

HE MAY RETURN TO CUBS

Chance Wants Catcher, and Chicago Fans Demand, if Reinstated, He Play on Team.

New York, February 10.—Johnny Kling, the peerless backstop of the Cubs, will have to wait for a fortnight before he knows in what way his plea for reinstatement will be

treated by the National Commission. Chairman Gary Herrmann has Wednesday, February 10, as the date on which Johnny will go on trial for his official life. On this day there will be a meeting of the national commission in Cincinnati. If Elmer Strickland, of the Superbas, and Monte Pfi, of the Giants, who now are ineligible players, the same as Kling, wish to get reinstated they must as well send in their applications for pardon now, as the meeting of February 23 in all probability will be the last important one the commissioners will have for some time.

Fans the country over are wondering what the commissioners will do to Kling, whether they will let him to call again in 1911 or impose a stiff fine on the catcher and tell him never to break baseball laws again. If Kling is reinstated he will not get off lightly. Generally a player, when restored to good standing, has been assessed \$100. The impression of baseball sharpshooters is that if Kling is reinstated his year's lay-off, even if he had the consent of his employer, will cost him \$1,000.

The National Commission has not appointed any special committee to look up the case of Johnny. All that Ban Johnson, president of the American League, and one of the commissioners, did was to tell his secretary, Robert McCoy, and his assistant, A. J. Planner, to find out the number of games Kling had pitched in the last season, and the names of the men he played against. Johnson's instructions to McCoy and Planner were to find out the number of games Kling had pitched in the last season, and the names of the men he played against. COACH BOCOCK FINED FOR SERVING BEER AT DINNER TO BALL TEAM

V. P. I. Trainer Entertained Members of Football Squad, and Town Sergeant Had Warrant Issued Because Beer Was on Menu.

[Special to The Times-Dispatch.]
Roanoke, Va., February 10.—At Christiansburg, in the Montgomery County Circuit Court, yesterday, Judge W. W. Moffett imposed a fine of \$25 on Branch Boccock, a cadet of the Virginia Polytechnic Institute, for violation of a State statute in serving beer at an entertainment given by him in honor of members of the V. P. I. football team.

In recognition of the splendid record of the football players, Boccock gave a supper. It took place in a boarding house in Blacksburg. The menu included beer, which Boccock had ordered to be shipped to him. Hearing of the presence of this beverage in the banquet hall, the town sergeant of Blacksburg reported to the Mayor, laying the circumstances before him. A warrant was secured, and the sergeant went to the boarding house and placed Boccock under arrest.

The case came up yesterday in the Circuit Court before Judge Moffett, who, after hearing the evidence, fined Boccock \$25. In rendering his opinion, Judge Moffett said the evidence did not show that the young men were in any way disorderly, but that they were conducting themselves with propriety, and that he was satisfied that Mr. Boccock had not served beer at his entertainment with any intention to violate the law; that he had acted purely through ignorance, and that the court imposed the fine chiefly with a view to instructing other young men as to what the law required.

QUINTS TO MEET IN DOUBLE HEADER

Basketball Games Between Randolph-Macon and Hampden-Sidney.

[Special to The Times-Dispatch.]
Ashland, Va., February 10.—Tomorrow morning the Randolph-Macon basketball squad leaves for Hampden-Sidney College, to play a doubleheader with the quint of that school. The members of the team are: Smith, Smithy, Deville, Bohman and Hardy, with Simpson and Brown as subs.

These men have been showing up to advantage within the last few weeks, winning a pretty game last Saturday over William and Mary's team, and it is certain that they will put up a good article in the Hampden-Sidney games.

Coach Warren has been trying out his track men for several weeks, despite bad weather and a sticky track. Prior to the Richmond meet Saturday night he hoped to give them a tryout on the indoor course. The relay team will be composed of White, W. B. Hite, Wray and Java. Dawson and Long will enter the 440-yard contest.

BRIGHT PROSPECTS FOR VIRGINIA TEAM

Thirty Baseball Applicants Engage Daily in Indoor Practice.

[Special to The Times-Dispatch.]
Charlottesville, Va., February 10.—The Fayerweather gymnasium at the University of Virginia presents a lively scene these afternoon, as the applicants for the battery positions on the baseball team shake the kinks out of their muscles after a long disuse. Of course, it is much too early to get much of a line on the new men, but from the lively interest and even enthusiasm displayed by those who have already begun work, it is safe to predict that there will be some lively competition for permanent seats in the pitchers' and catchers' boxes.

Nine promising twirlers and four catchers are among the number who have reported. Those out for practice now are Douglas, Wimer and McIntyre, of last year's squad; Booker, Throckmorton, of Richmond College; Grant, of the Episcopal High School; Davet, of Orlando High School; Nelson, of Notre Dame; Young, of K. M. L. Anderson, of C. H. S.; Schmidt, Walker and White.

The thirty applicants who have already reported for practice are at present divided into two squads, the battery men occupying the cage on Tuesday, Thursday and Saturday, from 3 to 5 P. M. and the in and outfielders on the alternate afternoons at the same hours. Only very light practice is as yet indulged in, the time being occupied principally in short, overhead throws, interspersed with a little stick work.

Lat applicants for battery positions are Stanton, Spratt, Dowell, Foster, Connelly, Neff, Garrett, Carter and Clark.

Richmond Track Meet.
The list of men to be taken to the Richmond track meet next Saturday has not been announced by Manager Cecil, of the Virginia Athletic Club, but it will be a strong one, however, as the meet has no handicap events. George Washington this year has not the material for a fast relay, and the Academy last year for the championship of the South, as in past years. But arrangements have been made between the George Washington relay and the Virginia second team for a race to take place in the Richmond meet.
